EQUITY RESEARCH | FINANCIAL ANALYSIS | VALUATION

New Delhi, India | +91 9710031888 | chiragpokhriyall@gmail.com | LinkedIn: chiragpokhriyall | E Portfolio: chiragpokhriyall_Github

PROFESSIONAL SUMMARY

PGDM Finance candidate at FIIB with experience in company research, sector benchmarking and valuation at Power Finance Corporation Limited. Skilled in financial statement analysis, DCF valuation, forecasting and credit analysis using Excel, Power BI and Python. Sector interests include BFSI, power and energy, and IT services.

EQUITY RESEARCH & TECHNICAL SKILLS

Research & Valuation: Financial statement analysis, company and industry research, DCF, FCFF, FCFE, comparable company valuation, scenario and sensitivity analysis.

Risk & Analytics: Credit quality, capital adequacy, asset liability management, time series forecasting, Monte Carlo simulation, VaR, Sharpe ratio and maximum drawdown.

Tools: Advanced Excel, pivot tables, financial models, Power BI, Python, PowerPoint, data validation and AI automation.

EXPERIENCE

Corporate Intern | Corporate Accounts | Power Finance Corporation Limited | Delhi | 13 April to 3 July 2026

- Analysed 14 companies across power financing, generation and renewables; built a seven year Excel benchmarking model for five listed peers using annual reports, SEBI filings and investor presentations.
- Assessed profitability, leverage, gross and net non performing assets (GNPA and NNPA), expected credit loss (ECL), capital adequacy and ALM gaps; documented PFC's GNPA decline from 9.39% to 1.94% during FY2019 to FY2025.
- Developed FCFE valuation, peer comparisons and sensitivity analysis; presented findings in dashboards and research reports. Supported mentor guided analysis of NLC India's historical financials using public information.

Corporate Finance Intern | Steel Authority of India Limited | Delhi | August to October 2023

- Reviewed and reconciled trust fund records, tax documents, GST records and supporting schedules for financial reporting and compliance.
- Validated source documents and flagged missing or inconsistent records, supporting financial accuracy and audit readiness.

Social Media Manager Intern | Inclusive Divyangjan Entrepreneur Association (IDEA) | Delhi | January 2026

- Produced an accessibility documentary and social media visuals for the Sugamya Delhi Abhiyan campaign.
- Conducted field accessibility audits covering ramps, entrances, pathways, signage, washrooms and mobility infrastructure.

RESEARCH & VALUATION PROJECTS

Persistent Systems | DCF Valuation and Financial Forecasting

- Completed a discounted cash flow (DCF) valuation of Persistent Systems and developed a financial forecast model.
- Performed sensitivity analysis to assess how changes in key valuation assumptions affect estimated value.

Equity Forecasting and Portfolio Risk Analysis | Python

- Applied ARIMA, VAR, GARCH and EGARCH to analyse equity returns, volatility and relationships with market indices and macroeconomic variables.
- Used Monte Carlo simulation and walk forward backtesting to evaluate Value at Risk (VaR), Sharpe ratio, maximum drawdown and forecast accuracy.

EDUCATION

PGDM Finance | Fortune Institute of International Business (FIIB) | 2025 to 2027

Bachelor of Business Administration | Tecnia Institute of Advanced Studies (GGSIPU) | 2021 to 2024

GLOBAL EXPOSURE

FIIB International Mobility Programme | Sunway University, Malaysia | 8 to 11 September 2026

- Studied Malaysia's business environment through academic sessions, industry visits and cultural exposure at Sunway University.
- Visited Royal Selangor and Farm Fresh; examined pricing power, margins, operations and capital investment.
